# Luis Rodríguez

PRODUCTION & PROJECT COORDINATION

## SUMMARY

I'm Luis, a production professional with a strong focus on planning, coordination, and team communication. I like building bridges between departments and making sure everyone has the resources they need. My background combines video game production management with direct customer and public-facing work, giving me a practical understanding of how to organize teams and processes across different environments. I bring a positive mindset and strong organisational skills to every new challenge.

## EXPERIENCE

### Associate Producer

*Flatter Than Earth — Project Once Upon a Puppet* 11/2023 – 04/2025

- Coordinated a 30+ person cross-functional team, aligning workflows across art, tech, design, VFX, audio, UI/UX, and QA.
- Designed and executed a roadmap and milestone system that gave the team consistency and improved cross-department visibility.
- Developed trackers for assets, VFX, and animations across levels, and managed the backlog by content-lock impact and dependencies.
- Ran playtesting sessions and feedback loops with QA, triaging bugs in Mantis and prioritizing fixes.
- Oversaw voiceover and VFX partners, ensuring on-time deliveries, proper integration, and consistent quality.
- Led daily stand-ups, lead meetings, planning sessions, and reviews to track progress, resolve blockers, and support team performance.

### Sales Associate (Christmas Campaign)

*El Corte Inglés, Madrid* 10/2025 – 01/2026

- Organized and maintained my sales section during the Christmas campaign, ensuring proper restocking and product presentation.
- Assisted and advised customers directly, identifying their needs to recommend the best available option.
- Managed checkout transactions accurately, maintaining a smooth, efficient service during high-traffic periods.

### Event Host / Hostess

*Various agencies — primarily IFEMA, Madrid* Ongoing occasional collaborations

- Assisted and informed attendees at trade fairs and events, resolving questions and directing visitors as needed.
- Monitored access points and capacity across event areas, working with the wider team to ensure smooth operations.
